The Secretary may carry out such responsibilities through an agreement with a Trustee or contractor (who may be the Trustee or contractor appointed to carry out responsibilities relating to Federal benefit payments under title I of the National Capital Revitalization and Self-Government Improvement Act of 1997) and an enrolled actuary (as defined in section 7701(a)(35) of the Internal Revenue Code of 1986) who is a member of the American Academy of Actuaries (who may be the enrolled actuary engaged under such Act).

“(2) The chief judges of the District of Columbia Court of Appeals and Superior Court of the District of Columbia shall submit to the President and the Secretary an annual estimate of the expenditures and appropriations necessary for the maintenance and operation of the Fund, and such supplemental and deficiency estimates as may be required from time to time for the same purposes, according to law.

“(3) The Secretary may cause periodic examinations of the Fund to be made by an enrolled actuary (as defined in section 7701(a)(35) of the Internal Revenue Code of 1986) who is a member of the American Academy of Actuaries.

“(c)(1) Amounts in the Fund are available for the payment of judges’ retirement pay, annuities, refunds, and allowances under this subchapter.

“(2) Notwithstanding any other provision of District law or any other law, rule, or regulation, the Secretary may review benefit determinations under this subchapter made prior to the date of the enactment of the National Capital Revitalization and Self-Government Improvement Act of 1997, and shall make initial benefit determinations after such date.

“(d)(1) Subject to the availability of appropriations, there shall be deposited in the Fund, not later than the close of each fiscal year (beginning with the first fiscal year which ends more than 6 months after the replacement plan adoption date described in section 103(13) of the National Capital Revitalization and Self-Government Improvement Act of 1997), an amount equal to the sum of—

“(A) the normal cost for the year;

“(B) the annual amortization amount for the year (which may not be less than zero); and

“(C) the covered administrative expenses for the year.

“(2) For purposes of this subsection:

“(A) The ‘original unfunded liability’ is the amount that is the present value as of June 30, 1997, of future benefits payable from the Fund (net the sum of future normal cost and plan assets as of such date).

“(B) The ‘annual amortization amount’ is the amount determined by the enrolled actuary to be necessary to amortize in equal annual installments (until fully amortized)—

“(i) the original unfunded liability over a 30-year period;

“(ii) a net experience gain or loss over a 10-year period; and

“(iii) any other changes in actuarial liability over a 20-year period.

“(C) The ‘covered administrative expenses’ are the expenses determined by the Secretary (on an annual basis) to be necessary to administer the Fund.

“(3) Deposits made under this subsection shall be taken from sums available for that fiscal year for the payment of the expenses of the Court, and shall not be credited to the account of any individual.

“(e) The Secretary shall invest such portion of the Fund as is not in the judgment of the Secretary required to meet current withdrawals. Such investments shall be in public debt securities with maturities suitable to the needs of the Fund, as determined by the Secretary, and bearing interest at rates determined by the Secretary, taking into consideration current market yields on outstanding marketable obligations of the United States of comparable maturities.

“(f) None of the moneys mentioned in this subchapter shall be assignable, either in law or in equity, or be subject to execution, levy, attachment, garnishment, or other legal process (except to the extent permitted pursuant to the District of Columbia Spouse Equity Act of 1988).

“(g) Notwithstanding any other provision of District law, rule, or regulation, any civil action brought—

“(1) by an individual to enforce or clarify rights to benefits from the Fund; or

“(2) by the Secretary—

“(A) to enforce any claim arising (in whole or in part) under this section or any contract entered into to carry out this section,

“(B) to recover benefits improperly paid from the Fund or to clarify an individual’s rights to benefits from the Fund, or

“(C) to enforce any provision of this section or any contract entered into to carry out this section, shall be brought in the United States District Court for the District of Columbia.”

CHAPTER 6—MISCELLANEOUS PROVISIONS

SEC. 11281. TECHNICAL ASSISTANCE AND RESEARCH.

There are authorized to be appropriated to the National Institute of Justice in each fiscal year (beginning with fiscal year 1998) such sums as may be necessary for the following activities:

Appropriation
authorization.

(1) Research and demonstration projects, evaluations, and technical assistance to assess and analyze the crime problem in the District of Columbia, and to improve the ability of the criminal justice and other systems and entities in the District of Columbia to prevent, solve, and punish crimes.

(2) The establishment of a locally-based corporation or institute in the District of Columbia supporting research and demonstration projects relating to the prevention, solution, or punishment of crimes in the District of Columbia, including the provision of related technical assistance.

SEC. 11282. EXEMPTION FROM PERSONNEL AND BUDGET CEILINGS FOR TRUSTEES AND RELATED AGENCIES.

The Trustees described in sections 11202 and 11232 and the activities and personnel of, and the funds allocated or otherwise available to, the Trustees and the agencies over which the Trustees exercise financial oversight pursuant to those sections, shall not be subject to any general personnel or budget limitations which

otherwise apply to the District of Columbia government or its agencies in any appropriations act.

Subtitle D—Privatization of Tax Collection and Administration

SEC. 11301. FINDINGS.

Congress finds as follows:

(1) The District of Columbia government has historically had a poor record of determining and collecting all revenue it is due under its revenue code.

(2) The impact on the District's financial condition of poor administration and collection is significant and has contributed both to the size of its accumulated operating deficit and to the difficulty in balancing the budget going forward.

(3) More complete collection of taxes would not only increase District of Columbia revenues, but would give residents and businesses a sense of equity and that all were paying their fair share.

(4) Once District tax processing and collection is competently managed it will be possible for the District government to accurately assess the true value of its many taxes and determine that some may be reduced or eliminated without a significant negative impact on revenues.

(5) Any reduction or elimination of non-productive or counterproductive taxes or taxes which cost more to administer than they produce in revenue would significantly improve the negative atmosphere surrounding the District of Columbia tax system and its enforcement.

SEC. 11302. AUTHORIZING CHIEF FINANCIAL OFFICER TO PRIVATIZE TAX ADMINISTRATION AND COLLECTION.

The Chief Financial Officer of the District of Columbia may enter into contracts with a private entity for the administration and collection of taxes of the District of Columbia.

Subtitle E—Financing of District of Columbia Accumulated Deficit

SEC. 11401. FINDINGS.

Congress finds as follows:

(1) The District of Columbia government sold accumulated deficit financing bonds in 1991.

(2) Between 1991 and the end of fiscal year 1997 the District of Columbia government is expected to accumulate an operating deficit in excess of \$500,000,000.

(3) Requiring the District of Columbia budget for fiscal year 1998 to be balanced will ensure that no further addition is made to the accumulated operating deficit.

(4) In every other example of an American city in financial crisis, a vital and necessary component of recovery was to finance the accumulated operating deficit.

(5) Carrying forward an accumulated operating deficit of more than \$500,000,000 has a significant negative impact on

the District of Columbia's cash flow and financial condition and on its ability to improve its credit rating.

(6) It is not feasible to carry forward such a debt with an expectation of paying it off gradually from future budget surpluses.

(7) Financing the accumulated deficit would improve the District's cash management position and allow more normal cash management techniques.

SEC. 11402. AUTHORIZATION FOR INTERMEDIATE-TERM ADVANCES OF FUNDS BY THE SECRETARY OF THE TREASURY TO LIQUIDATE THE ACCUMULATED GENERAL FUND DEFICIT OF THE DISTRICT OF COLUMBIA.

Title VI of the District of Columbia Revenue Act of 1939 (DC Code, sec. 47-3401 et seq.) is amended—

(1) by redesignating sections 602 through 605 as sections 603 through 606, respectively; and

(2) by inserting after section 601 the following:

“(a) IN GENERAL.—If the conditions in subsection (b) are satisfied, the Secretary shall make an advance of funds from time to time, out of any money in the Treasury not otherwise appropriated and to the extent provided in advance in annual appropriations Acts, for the purpose of assisting the District government in liquidating the outstanding accumulated operating deficit of the general fund of the District government existing as of September 30, 1997.

“(b) CONDITIONS TO MAKING ANY INTERMEDIATE-TERM ADVANCE.—The Secretary shall make an advance under this section if—

“(C) a promissory note evidencing the District government's obligation to reimburse the Treasury for the requisitioned advance, which note may be a general obligation bond issued under section 461(a) of the District of Columbia Self-Government and Governmental Reorganization Act by the District government to the Secretary if the Secretary determines that such a bond is satisfactory;

“(2) the date on which the requisitioned advance is requested to be made is not later than 3 years from the date of enactment of the Balanced Budget Act of 1997;

“(3) the District government delivers to the Secretary—

“(A) evidence demonstrating to the satisfaction of the Secretary that, at the time of the Mayor's requisition for an advance, the District government is effectively unable to obtain credit in the public credit markets or elsewhere in sufficient amounts and on sufficiently reasonable terms to meet the District government's need for financing to accomplish the purpose described in subsection (a); and

“(B) a schedule setting out the anticipated timing and amounts of requisitions for advances under this section; “(4) the Authority certifies to the Secretary that—

“(A) there is an approved financial plan and budget in effect under the District of Columbia Financial Responsibility and Management Assistance Act of 1995 for the fiscal year in which the requisition is to be made;

“(B) at the time that the Mayor’s requisition for an advance is delivered to the Secretary, the District government is in compliance with the approved financial plan and budget;

“(C) both the receipt of funds from such advance and the reimbursement of Treasury for such advance are consistent with the approved financial plan and budget for the year;

“(D) such advance will not adversely affect the financial stability of the District government; and

“(E) at the time that the Mayor’s requisition for an advance is delivered to the Secretary, the District government is effectively unable to obtain credit in the public credit markets or elsewhere in sufficient amounts and on sufficiently reasonable terms to meet the District government’s need for financing to accomplish the purpose described in subsection (a);

Certification.

“(5) the Inspector General of the District of Columbia certifies to the Secretary the information described in subparagraphs (A) through (D) of paragraph (4), and in making this certification, the Inspector General may rely upon an audit conducted by an outside auditor engaged by the Inspector General under section 208(a)(4) of the District of Columbia Procurement Practices Act of 1985 if, after reasonable inquiry, the Inspector General concurs in the findings of such audit;

“(6) the Secretary determines that—

“(A) there is reasonable assurance of reimbursement for the requisitioned advance; and

“(B) the debt owed by the District government to the Treasury on account of the requisitioned advance will not be subordinate to any other debt owed by the District or to any other claims against the District; and

“(7) the Secretary receives from such persons as the Secretary determines to be appropriate such additional certifications and opinions relating to such matters as the Secretary determines to be appropriate.

“(c) AMOUNT OF ANY INTERMEDIATE-TERM ADVANCE.—

“(1) IN GENERAL.—Except as provided in paragraph (3), if the conditions in paragraph (2) are satisfied, each advance made under this section shall be in the amount designated by the Mayor in the Mayor’s requisition for such advance.

“(2) CONDITIONS APPLICABLE TO DESIGNATED AMOUNT.—Paragraph (1) applies if—

“(A) the Mayor certifies that the amount designated in the Mayor’s requisition for such advance is needed to accomplish the purpose described in subsection (a) within 30 days of the time that the Mayor’s requisition is delivered to the Secretary; and

“(B) the Authority concurs in the Mayor’s certification under subparagraph (A).

“(3) MAXIMUM AMOUNT.—Notwithstanding paragraph (1), the aggregate amount of all advances made under this section shall not be greater than \$300,000,000.

“(d) MATURITY OF ANY INTERMEDIATE-TERM ADVANCE.—

“(1) IN GENERAL.—Except as provided in paragraphs (2) and (3), each advance made under this section shall mature on the date designated by the Mayor in the Mayor’s requisition for such advance.

“(2) LATEST PERMISSIBLE MATURITY DATE.—Notwithstanding paragraph (1), the maturity date for any advance made under this section shall not be later than 10 years from the date on which the first advance under this section is made.

“(4) SECRETARY’S RIGHT TO REQUIRE EARLY REIMBURSEMENT.—Notwithstanding paragraph (1), if the Secretary determines, at any time while any advance made under this section has not been fully reimbursed, that the District is able to obtain credit in the public credit markets or elsewhere in sufficient amounts and on sufficiently reasonable terms, in the judgment of the Secretary, to refinance all or a portion of the unpaid balance of such advance in the public credit markets or elsewhere without adversely affecting the financial stability of the District government, the Secretary may require reimbursement for all or a portion of the unpaid balance of such advance at any time after the Secretary makes the determination.

“(e) INTEREST RATE.—Each advance made under this section shall bear interest at an annual rate equal to a rate determined by the Secretary at the time that the Secretary makes such advance taking into consideration the prevailing yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the repayment schedule of such advance, plus $\frac{1}{8}$ of 1 percent.

“(f) OTHER TERMS AND CONDITIONS.—Each advance made under this section shall be on such other terms and conditions, including repayment schedule, as the Secretary determines to be appropriate.

“(g) DEPOSIT OF ADVANCES.—As provided in section 204(b) of the District of Columbia Financial Responsibility and Management Assistance Act of 1995, advances made under this section for the account of the District government shall be deposited by the Secretary into an escrow account held by the Authority.”.

District of
Columbia Bond
Financing
Improvements
Act of 1997.

Subtitle F—District of Columbia Bond Financing Improvements

SEC. 11501. SHORT TITLE.

This subtitle may be cited as the “District of Columbia Bond Financing Improvements Act of 1997”.

SEC. 11502. FINDINGS.

Congress finds as follows:

(1) The bond authorization provision of the District of Columbia Self-Government and Governmental Reorganization Act (commonly known as the “Home Rule Act”) have not been updated to conform with changes in the municipal securities marketplace.

(2) The Home Rule Act unduly limits the ability of the District to take advantage of cost savings, investment opportunities, and other efficiencies generally available to municipal securities issuers.

(3) Section 461 of the Home Rule Act limits the ability of the District government to implement cost-effective capital planning to the extent that it does not permit the District access to interim capital financing in anticipation of its periodic long-term borrowings.

(4) Section 462 of the Home Rule Act prevents the re-programming of unused bond proceeds from dormant projects to other pending, authorized, and viable projects.

(5) Section 466 of the Home Rule Act requires that the District undertake competitive bond sales even under circumstances in which greater efficiencies can be achieved through negotiated sales.

(6) Section 490 of the Home Rule Act does not permit the issuance and sale of taxable and tax-exempt bonds for the full range of economic development and governmental purposes permitted the States and their political subdivisions.

SEC. 11503. AMENDMENT TO SECTION 462 (RELATING TO CONTENTS OF BORROWING LEGISLATION AND ELECTIONS ON ISSUING GENERAL OBLIGATION BONDS).

Section 462(a) of the District of Columbia Self-Government and Governmental Reorganization Act (DC Code, sec. 47-322(a)) is amended to read as follows:

“(b) UNDERPAYMENT DUE TO INCONSISTENT TREATMENT ASSESSED AS MATH ERROR.—Any underpayment of tax by a partner by reason of failing to comply with the requirements of subsection (a) shall be assessed and collected in the same manner as if such underpayment were on account of a mathematical or clerical error appearing on the partner’s return. Paragraph (2) of section 6213(b) shall not apply to any assessment of an underpayment referred to in the preceding sentence.

“(c) ADJUSTMENTS NOT TO AFFECT PRIOR YEAR OF PARTNERS.—

“(1) IN GENERAL.—Except as provided in paragraph (2), subsections (a) and (b) shall apply without regard to any adjustment to the partnership item under part II.

“(B) COORDINATION WITH DEFICIENCY PROCEDURES.—

of any overpayment of tax) attributable to an adjustment referred to in subparagraph (A) and such assessment or collection or allowance (or any notice thereof) shall not preclude any notice, proceeding, or determination under subchapter B.

“(C) PERIOD OF LIMITATIONS.—The period for—

“(i) assessing any underpayment of tax, or

“(ii) filing a claim for credit or refund of any overpayment of tax,

“(d) ADDITION TO TAX FOR FAILURE TO COMPLY WITH SECTION.—

“For addition to tax in case of partner’s disregard of requirements of this section, see part II of subchapter A of chapter 68.

“SEC. 6242. PROCEDURES FOR TAKING PARTNERSHIP ADJUSTMENTS INTO ACCOUNT.

“(a) ADJUSTMENTS FLOW THROUGH TO PARTNERS FOR YEAR IN WHICH ADJUSTMENT TAKES EFFECT.—

“(1) IN GENERAL.—If any partnership adjustment with respect to any partnership item takes effect (within the meaning of subsection (d)(2)) during any partnership taxable year and if an election under paragraph (2) does not apply to such adjustment, such adjustment shall be taken into account in determining the amount of such item for the partnership taxable year in which such adjustment takes effect. In applying this title to any person who is (directly or indirectly) a partner in such partnership during such partnership taxable year, such adjustment shall be treated as an item actually arising during such taxable year.

“(2) PARTNERSHIP LIABLE IN CERTAIN CASES.—If—

“(A) a partnership elects under this paragraph to not take an adjustment into account under paragraph (1),

“(B) a partnership does not make such an election but in filing its return for any partnership taxable year fails to take fully into account any partnership adjustment as required under paragraph (1), or

“(C) any partnership adjustment involves a reduction in a credit which exceeds the amount of such credit determined for the partnership taxable year in which the adjustment takes effect,

the partnership shall pay to the Secretary an amount determined by applying the rules of subsection (b)(4) to the adjustments not so taken into account and any excess referred to in subparagraph (C).

“(3) OFFSETTING ADJUSTMENTS TAKEN INTO ACCOUNT.—If a partnership adjustment requires another adjustment in a

taxable year after the adjusted year and before the partnership taxable year in which such partnership adjustment takes effect, such other adjustment shall be taken into account under this subsection for the partnership taxable year in which such partnership adjustment takes effect.

“(4) COORDINATION WITH PART II.—Amounts taken into account under this subsection for any partnership taxable year shall continue to be treated as adjustments for the adjusted year for purposes of determining whether such amounts may be readjusted under part II.

“(b) PARTNERSHIP LIABLE FOR INTEREST AND PENALTIES.—

“(1) IN GENERAL.—If a partnership adjustment takes effect during any partnership taxable year and such adjustment results in an imputed underpayment for the adjusted year, the partnership—

“(A) shall pay to the Secretary interest computed under paragraph (2), and

“(B) shall be liable for any penalty, addition to tax, or additional amount as provided in paragraph (3).

“(2) DETERMINATION OF AMOUNT OF INTEREST.—The interest computed under this paragraph with respect to any partnership adjustment is the interest which would be determined under chapter 67—

“(A) on the imputed underpayment determined under paragraph (4) with respect to such adjustment,

“(B) for the period beginning on the day after the return due date for the adjusted year and ending on the return due date for the partnership taxable year in which such adjustment takes effect (or, if earlier, in the case of any adjustment to which subsection (a)(2) applies, the date on which the payment under subsection (a)(2) is made).

Proper adjustments in the amount determined under the preceding sentence shall be made for adjustments required for partnership taxable years after the adjusted year and before the year in which the partnership adjustment takes effect by reason of such partnership adjustment.

“(3) PENALTIES.—A partnership shall be liable for any penalty, addition to tax, or additional amount for which it would have been liable if such partnership had been an individual subject to tax under chapter 1 for the adjusted year and the imputed underpayment determined under paragraph (4) were an actual underpayment (or understatement) for such year.

“(4) IMPUTED UNDERPAYMENT.—For purposes of this subsection, the imputed underpayment determined under this paragraph with respect to any partnership adjustment is the underpayment (if any) which would result—

“(A) by netting all adjustments to items of income, gain, loss, or deduction and by treating any net increase in income as an underpayment equal to the amount of such net increase multiplied by the highest rate of tax in effect under section 1 or 11 for the adjusted year, and

“(B) by taking adjustments to credits into account as increases or decreases (whichever is appropriate) in the amount of tax.

For purposes of the preceding sentence, any net decrease in a loss shall be treated as an increase in income and a similar rule shall apply to a net increase in a loss.

“(c) ADMINISTRATIVE PROVISIONS.—

“(1) IN GENERAL.—Any payment required by subsection (a)(2) or (b)(1)(A)—

“(A) shall be assessed and collected in the same manner as if it were a tax imposed by subtitle C, and

“(B) shall be paid on or before the return due date for the partnership taxable year in which the partnership adjustment takes effect.

“(2) INTEREST.—For purposes of determining interest, any payment required by subsection (a)(2) or (b)(1)(A) shall be treated as an underpayment of tax.

“(3) PENALTIES.—

“(A) IN GENERAL.—In the case of any failure by any partnership to pay on the date prescribed therefor any amount required by subsection (a)(2) or (b)(1)(A), there is hereby imposed on such partnership a penalty of 10 percent of the underpayment. For purposes of the preceding sentence, the term ‘underpayment’ means the excess of any payment required under this section over the amount (if any) paid on or before the date prescribed therefor.

“(B) ACCURACY-RELATED AND FRAUD PENALTIES MADE APPLICABLE.—For purposes of part II of subchapter A of chapter 68, any payment required by subsection (a)(2) shall be treated as an underpayment of tax.

“(2) if a petition is filed under section 6247 with respect to such notice, the decision of the court has become final.

“(b) PREMATURE ACTION MAY BE ENJOINED.—Notwithstanding section 7421(a), any action which violates subsection (a) may be

enjoined in the proper court, including the Tax Court. The Tax Court shall have no jurisdiction to enjoin any action under this subsection unless a timely petition has been filed under section 6247 and then only in respect of the adjustments that are the subject of such petition.

“(1) ADJUSTMENTS ARISING OUT OF MATH OR CLERICAL ERRORS.—

Applicability.

“(A) IN GENERAL.—If the partnership is notified that, on account of a mathematical or clerical error appearing on the partnership return, an adjustment to a partnership item is required, rules similar to the rules of paragraphs (1) and (2) of section 6213(b) shall apply to such adjustment.

“(B) SPECIAL RULE.—If an electing large partnership is a partner in another electing large partnership, any adjustment on account of such partnership’s failure to comply with the requirements of section 6241(a) with respect to its interest in such other partnership shall be treated as an adjustment referred to in subparagraph (A), except that paragraph (2) of section 6213(b) shall not apply to such adjustment.

“(2) PARTNERSHIP MAY WAIVE RESTRICTIONS.—The partnership shall at any time (whether or not a notice of partnership adjustment has been issued) have the right, by a signed notice in writing filed with the Secretary, to waive the restrictions provided in subsection (a) on the making of any partnership adjustment.

notice of partnership adjustment. The court may by order provide that the jurisdictional requirements of this paragraph are satisfied where there has been a good faith attempt to satisfy such requirement and any shortfall of the amount required to be deposited is timely corrected.

“(2) INTEREST PAYABLE.—Any amount deposited under paragraph (1), while deposited, shall not be treated as a payment of tax for purposes of this title (other than chapter 67).

“(c) SCOPE OF JUDICIAL REVIEW.—A court with which a petition is filed in accordance with this section shall have jurisdiction to determine all partnership items of the partnership for the partnership taxable year to which the notice of partnership adjustment relates and the proper allocation of such items among the partners (and the applicability of any penalty, addition to tax, or additional amount for which the partnership may be liable under section 6242(b)).

“(d) DETERMINATION OF COURT REVIEWABLE.—Any determination by a court under this section shall have the force and effect of a decision of the Tax Court or a final judgment or decree of the district court or the Claims Court, as the case may be, and shall be reviewable as such. The date of any such determination shall be treated as being the date of the court’s order entering the decision.

“(e) EFFECT OF DECISION DISMISSING ACTION.—If an action brought under this section is dismissed other than by reason of a rescission under section 6245(b)(3), the decision of the court dismissing the action shall be considered as its decision that the notice of partnership adjustment is correct, and an appropriate order shall be entered in the records of the court.

“SEC. 6248. PERIOD OF LIMITATIONS FOR MAKING ADJUSTMENTS.

“(a) GENERAL RULE.—Except as otherwise provided in this section, no adjustment under this subpart to any partnership item for any partnership taxable year may be made after the date which is 3 years after the later of—

**“SEC. 6234. DECLARATORY JUDGMENT RELATING TO TREATMENT OF
ITEMS OTHER THAN PARTNERSHIP ITEMS WITH
RESPECT TO AN OVERSHELTERED RETURN.**

Notice.

“(a) GENERAL RULE.—If—

“(1) a taxpayer files an oversheltered return for a taxable year,

“(2) the Secretary makes a determination with respect to the treatment of items (other than partnership items) of such taxpayer for such taxable year, and

“(3) the adjustments resulting from such determination do not give rise to a deficiency (as defined in section 6211) but would give rise to a deficiency if there were no net loss from partnership items,

the Secretary is authorized to send a notice of adjustment reflecting such determination to the taxpayer by certified or registered mail.

“(b) OVERSHELTERED RETURN.—For purposes of this section, the term ‘oversheltered return’ means an income tax return which—

“(1) shows no taxable income for the taxable year, and

“(2) shows a net loss from partnership items.

“(c) JUDICIAL REVIEW IN THE TAX COURT.—Within 90 days, or 150 days if the notice is addressed to a person outside the United States, after the day on which the notice of adjustment authorized in subsection (a) is mailed to the taxpayer, the taxpayer may file a petition with the Tax Court for redetermination of the adjustments. Upon the filing of such a petition, the Tax Court shall have jurisdiction to make a declaration with respect to all items (other than partnership items and affected items which require partner level determinations as described in section 6230(a)(2)(A)(i)) for the taxable year to which the notice of adjustment relates, in accordance with the principles of section 6214(a). Any such declaration shall have the force and effect of a decision of the Tax Court and shall be reviewable as such.

“(d) FAILURE TO FILE PETITION.—

“(1) IN GENERAL.—Except as provided in paragraph (2), if the taxpayer does not file a petition with the Tax Court within the time prescribed in subsection (c), the determination of the Secretary set forth in the notice of adjustment that was mailed to the taxpayer shall be deemed to be correct.

“(2) EXCEPTION.—Paragraph (1) shall not apply after the date that the taxpayer—

“(A) files a petition with the Tax Court within the time prescribed in subsection (c) with respect to a subsequent notice of adjustment relating to the same taxable year, or

“(B) files a claim for refund of an overpayment of tax under section 6511 for the taxable year involved.

If a claim for refund is filed by the taxpayer, then solely for purposes of determining (for the taxable year involved) the amount of any computational adjustment in connection with a partnership proceeding under this subchapter (other than under this section) or the amount of any deficiency attributable to affected items in a proceeding under section 6230(a)(2), the items that are the subject of the notice of adjustment shall be presumed to have been correctly reported on the taxpayer's return during the pendency of the refund claim (and, if within the time prescribed by section 6532 the taxpayer commences a civil action for refund under section 7422, until the decision in the refund action becomes final).

“(e) LIMITATIONS PERIOD.—

“(f) FURTHER NOTICES OF ADJUSTMENT RESTRICTED.—If the Secretary mails a notice of adjustment to the taxpayer for a taxable year and the taxpayer files a petition with the Tax Court within the time prescribed in subsection (c), the Secretary may not mail another such notice to the taxpayer with respect to the same taxable year in the absence of a showing of fraud, malfeasance, or misrepresentation of a material fact.

“(g) COORDINATION WITH OTHER PROCEEDINGS UNDER THIS SUBCHAPTER.—

“(1) IN GENERAL.—The treatment of any item that has been determined pursuant to subsection (c) or (d) shall be taken into account in determining the amount of any computational adjustment that is made in connection with a partnership proceeding under this subchapter (other than under this section), or the amount of any deficiency attributable to affected items in a proceeding under section 6230(a)(2), for the taxable year involved. Notwithstanding any other law or rule of law pertaining to the period of limitations on the making of assessments, for purposes of the preceding sentence, any adjustment

made in accordance with this section shall be taken into account regardless of whether any assessment has been made with respect to such adjustment.

“(B) as a result of that final determination or cessation, a deficiency can be determined with respect to the items that are the subject of the notice of adjustment, the notice of adjustment shall be treated as a notice of deficiency under section 6212 and any petition filed in respect of the notice shall be treated as an action brought under section 6213.

“(A) the Secretary enters into a settlement agreement (within the meaning of section 6224) with the taxpayer regarding such items,

“(i) no petition has been filed under section 6226 and the time for doing so has expired, or

“(1) SPECIAL RULE IF SECRETARY ERRONEOUSLY MAILES NOTICE OF ADJUSTMENT.—If the Secretary erroneously determines that subchapter B does not apply to a taxable year of a taxpayer and consistent with that determination timely mails a notice of adjustment to the taxpayer pursuant to subsection (a) of this section, the notice of adjustment shall be treated as a notice of deficiency under section 6212 and any petition that is filed in respect of the notice shall be treated as an action brought under section 6213.

“(2) SPECIAL RULE IF SECRETARY ERRONEOUSLY MAILES NOTICE OF DEFICIENCY.—If the Secretary erroneously determines that subchapter B applies to a taxable year of a taxpayer

SECTION 1. SHORT TITLE; REFERENCES.

(a) **SHORT TITLE.**—This Act may be cited as the “International Dolphin Conservation Program Act”.

(b) **REFERENCES TO MARINE MAMMAL PROTECTION ACT.**—Except as otherwise expressly provided, whenever in this Act an amendment or repeal is expressed in terms of an amendment to, or repeal of, a section or other provision, the reference shall be considered to be made to a section or other provision of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1361 et seq.).

16 USC 1361
note.

SEC. 2. PURPOSES AND FINDINGS.

(a) **PURPOSES.**—The purposes of this Act are—

(1) to give effect to the Declaration of Panama, signed October 4, 1995, by the Governments of Belize, Colombia, Costa Rica, Ecuador, France, Honduras, Mexico, Panama, Spain, the United States of America, Vanuatu, and Venezuela, including the establishment of the International Dolphin Conservation Program, relating to the protection of dolphins and other species, and the conservation and management of tuna in the eastern tropical Pacific Ocean;

(2) to recognize that nations fishing for tuna in the eastern tropical Pacific Ocean have achieved significant reductions in dolphin mortality associated with that fishery; and

(3) to eliminate the ban on imports of tuna from those nations that are in compliance with the International Dolphin Conservation Program.

(b) **FINDINGS.**—The Congress finds that—

(1) the nations that fish for tuna in the eastern tropical Pacific Ocean have achieved significant reductions in dolphin mortality associated with the purse seine fishery from hundreds of thousands annually to fewer than 5,000 annually;

(2) the provisions of the Marine Mammal Protection Act of 1972 that impose a ban on imports from nations that fish for tuna in the eastern tropical Pacific Ocean have served as an incentive to reduce dolphin mortalities;

(3) tuna canners and processors of the United States have led the canning and processing industry in promoting a dolphin-safe tuna market; and

(4) 12 signatory nations to the Declaration of Panama, including the United States, agreed under that Declaration to require that the total annual dolphin mortality in the purse seine fishery for yellowfin tuna in the eastern tropical Pacific Ocean not exceed 5,000 animals, with the objective of progressively reducing dolphin mortality to a level approaching zero through the setting of annual limits and with the goal of eliminating dolphin mortality.

SEC. 3. DEFINITIONS.

Section 3 (16 U.S.C. 1362) is amended by adding at the end the following new paragraphs:

“(28) The term ‘International Dolphin Conservation Program’ means the international program established by the agreement signed in LaJolla, California, in June, 1992, as formalized, modified, and enhanced in accordance with the Declaration of Panama.

“(i)(I) the tuna or products therefrom were not banned from importation under this paragraph before the effective date of section 4 of the International Dolphin Conservation Program Act; or

“(II) the tuna or products therefrom were harvested after the effective date of section 4 of the International Dolphin Conservation Program Act by vessels of a nation which participates in the International Dolphin Conservation Program, and such harvesting nation is either a member of the Inter-American Tropical Tuna Commission or has initiated (and within 6 months thereafter completed) all steps required of applicant nations, in accordance with article V, paragraph 3 of the Convention establishing the Inter-American Tropical Tuna Commission, to become a member of that organization;

“(ii) such nation is meeting the obligations of the International Dolphin Conservation Program and the

obligations of membership in the Inter-American Tropical Tuna Commission, including all financial obligations; and

“(iii) the total dolphin mortality limits, and per-stock per-year dolphin mortality limits permitted for that nation’s vessels under the International Dolphin Conservation Program do not exceed the limits determined for 1997, or for any year thereafter, consistent with the objective of progressively reducing dolphin mortality to a level approaching zero through the setting of annual limits and the goal of eliminating dolphin mortality, and requirements of the International Dolphin Conservation Program;”;

(2) by redesignating subparagraphs (C), (D), and (E) as subparagraphs (D), (E), and (F), respectively;

(3) by inserting after subparagraph (B) the following:

“(C) shall not accept such documentary evidence if—

“(i) the government of the harvesting nation does not provide directly or authorize the Inter-American Tropical Tuna Commission to release complete and accurate information to the Secretary in a timely manner—

“(I) to allow determination of compliance with the International Dolphin Conservation Program; and

“(II) for the purposes of tracking and verifying compliance with the minimum requirements established by the Secretary in regulations promulgated under subsection (f) of the Dolphin Protection Consumer Information Act (16 U.S.C. 1385(f)); or

“(ii) after taking into consideration such information, findings of the Inter-American Tropical Tuna Commission, and any other relevant information, including information that a nation is consistently failing to take enforcement actions on violations which diminish the effectiveness of the International Dolphin Conservation Program, the Secretary, in consultation with the Secretary of State, finds that the harvesting nation is not in compliance with the International Dolphin Conservation Program.”; and

(4) by striking “subparagraph (E)” in the matter after subparagraph (F), as redesignated by paragraph (2) of this subsection, and inserting “subparagraph (F)”.

(a) LABELING STANDARD.—Subsection (d) of the Dolphin Protection Consumer Information Act (16 U.S.C. 1385(d)) is amended to read as follows:

“(d) LABELING STANDARD.—

“(1) It is a violation of section 5 of the Federal Trade Commission Act (15 U.S.C. 45) for any producer, importer, exporter, distributor, or seller of any tuna product that is exported from or offered for sale in the United States to include on the label of that product the term ‘dolphin safe’ or any other term or symbol that falsely claims or suggests that the tuna contained in the product were harvested using a method of fishing that is not harmful to dolphins if the product contains tuna harvested—

“(A) on the high seas by a vessel engaged in driftnet fishing;

“(B) outside the eastern tropical Pacific Ocean by a vessel using purse seine nets—

“(i) in a fishery in which the Secretary has determined that a regular and significant association occurs between dolphins and tuna (similar to the association between dolphins and tuna in the eastern tropical Pacific Ocean), unless such product is accompanied by a written statement, executed by the captain of the vessel and an observer participating in a national or international program acceptable to the Secretary, certifying that no purse seine net was intentionally deployed on or used to encircle dolphins during the particular voyage on which the tuna were caught and no dolphins were killed or seriously injured in the sets in which the tuna were caught; or

“(ii) in any other fishery (other than a fishery described in subparagraph (D)) unless the product is accompanied by a written statement executed by the captain of the vessel certifying that no purse seine net was intentionally deployed on or used to encircle dolphins during the particular voyage on which the tuna was harvested;

“(C) in the eastern tropical Pacific Ocean by a vessel using a purse seine net unless the tuna meet the requirements for being considered dolphin safe under paragraph (2); or

“(D) by a vessel in a fishery other than one described in subparagraph (A), (B), or (C) that is identified by the Secretary as having a regular and significant mortality or serious injury of dolphins, unless such product is accompanied by a written statement executed by the captain of the vessel and an observer participating in a national or international program acceptable to the Secretary that no dolphins were killed or seriously injured in the sets or other gear deployments in which the tuna were caught, provided that the Secretary determines that such an observer statement is necessary.

“(2) For purposes of paragraph (1)(C), a tuna product that contains tuna harvested in the eastern tropical Pacific Ocean by a vessel using purse seine nets is dolphin safe if—

“(A) the vessel is of a type and size that the Secretary has determined, consistent with the International Dolphin Conservation Program, is not capable of deploying its purse seine nets on or to encircle dolphins; or

“(B)(i) the product is accompanied by a written statement executed by the captain providing the certification required under subsection (h);

“(ii) the product is accompanied by a written statement executed by—

“(I) the Secretary or the Secretary’s designee;

“(II) a representative of the Inter-American Tropical Tuna Commission; or

“(III) an authorized representative of a participating nation whose national program meets the requirements of the International Dolphin Conservation Program,

which states that there was an observer approved by the International Dolphin Conservation Program on board the vessel during the entire trip and that such observer provided the certification required under subsection (h); and

“(iii) the statements referred to in clauses (i) and (ii) are endorsed in writing by each exporter, importer, and processor of the product; and

“(C) the written statements and endorsements referred to in subparagraph (B) comply with regulations promulgated by the Secretary which provide for the verification of tuna products as dolphin safe.

“(3)(A) The Secretary of Commerce shall develop an official mark that may be used to label tuna products as dolphin safe in accordance with this Act.

“(B) A tuna product that bears the dolphin safe mark developed under subparagraph (A) shall not bear any other label or mark that refers to dolphins, porpoises, or marine mammals.

“(C) It is a violation of section 5 of the Federal Trade Commission Act (15 U.S.C. 45) to label a tuna product with any label or mark that refers to dolphins, porpoises, or marine mammals other than the mark developed under subparagraph (A) unless—

“(i) no dolphins were killed or seriously injured in the sets or other gear deployments in which the tuna were caught;

“(ii) the label is supported by a tracking and verification program which is comparable in effectiveness to the program established under subsection (f); and

“(iii) the label complies with all applicable labeling, marketing, and advertising laws and regulations of the Federal Trade Commission, including any guidelines for environmental labeling.

“(D) If the Secretary determines that the use of a label referred to in subparagraph (C) is substantially undermining the conservation goals of the International Dolphin Conservation Program, the Secretary shall report that determination to the United States Senate Committee on Commerce, Science, and Transportation and the United States House of Representatives Committees on Resources and on Commerce, along with recommendations to correct such problems.

Reports.

“(E) It is a violation of section 5 of the Federal Trade Commission Act (15 U.S.C. 45) willingly and knowingly to use a label referred to in subparagraph (C) in a campaign or effort to mislead or deceive consumers about the level of protection afforded dolphins under the International Dolphin Conservation Program.”

“(B) shall remain in effect for the duration of the applicable fishing year; and

“(C) may be terminated by the Secretary at an earlier date by publication in the Federal Register of a notice of termination if the Secretary determines that the reasons for the emergency action no longer exist.

“(4) If the Secretary finds that the incidental mortality and serious injury of marine mammals in the yellowfin tuna fishery in the eastern tropical Pacific Ocean is continuing to have a significant adverse impact on a stock or species, the Secretary may extend the emergency regulations for such additional periods as may be necessary.

“(5) Within 120 days after the Secretary notifies the United States Commissioners to the Inter-American Tropical Tuna Commission of the Secretary’s determination under paragraph (1)(A), the United States Commissioners shall call for a special meeting of the Commission to address the actions necessary to reduce incidental mortality and serious injury and mitigate the adverse impact which resulted in the determination. The Commissioners shall report the results of the special meeting in writing to the Secretary and to the Secretary of State. In their report, the Commissioners shall—

(b) SENSE OF THE SENATE.—Therefore, it is the sense of the Senate that—

(1) the Secretary of Defense should ensure that the printing costs of the Department of Defense and military services are held to the lowest amount possible;

(2) the Department of Defense should strictly comply with the Printing and Binding Regulations published by the Joint Committee on Printing of the Congress of the United States; and

National Wildlife
Refuge System
Improvement Act
of 1997.
16 USC 668dd
note.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE; REFERENCES.

(a) **SHORT TITLE.**—This Act may be cited as the “National Wildlife Refuge System Improvement Act of 1997”.

(b) **REFERENCES.**—Whenever in this Act an amendment or repeal is expressed in terms of an amendment to, or repeal of, a section or other provision, the reference shall be considered to be made to a section or provision of the National Wildlife Refuge System Administration Act of 1966 (16 U.S.C. 668dd et seq.).

16 USC 668dd
note.

SEC. 2. FINDINGS.

The Congress finds the following:

(1) The National Wildlife Refuge System is comprised of over 92,000,000 acres of Federal lands that have been incorporated within 509 individual units located in all 50 States and the territories of the United States.

(2) The System was created to conserve fish, wildlife, and plants and their habitats and this conservation mission has been facilitated by providing Americans opportunities to participate in compatible wildlife-dependent recreation, including fishing and hunting, on System lands and to better appreciate the value of and need for fish and wildlife conservation.

(3) The System serves a pivotal role in the conservation of migratory birds, anadromous and interjurisdictional fish, marine mammals, endangered and threatened species, and the habitats on which these species depend.

(4) The System assists in the fulfillment of important international treaty obligations of the United States with regard to fish, wildlife, and plants and their habitats.

(5) The System includes lands purchased not only through the use of tax dollars but also through the proceeds from sales of Duck Stamps and national wildlife refuge entrance fees. It is a System that is financially supported by those benefiting from and utilizing it.

(6) When managed in accordance with principles of sound fish and wildlife management and administration, fishing, hunting, wildlife observation, and environmental education in national wildlife refuges have been and are expected to continue to be generally compatible uses.

(7) On March 25, 1996, the President issued Executive Order 12996, which recognized “compatible wildlife-dependent recreational uses involving hunting, fishing, wildlife observation and photography, and environmental education and interpretation as priority public uses of the Refuge System”.

(8) Executive Order 12996 is a positive step and serves as the foundation for the permanent statutory changes made by this Act.

SEC. 6. COMPATIBILITY STANDARDS AND PROCEDURES.

Section 4(d) (16 U.S.C. 668dd(d)) is amended by adding at the end the following new paragraphs:

“(3)(A)(i) Except as provided in clause (iv), the Secretary shall not initiate or permit a new use of a refuge or expand, renew, or extend an existing use of a refuge, unless the Secretary has determined that the use is a compatible use and that the use is not inconsistent with public safety. The Secretary may make the determinations referred to in this paragraph for a refuge concurrently with development of a conservation plan under subsection (e).

“(ii) On lands added to the System after March 25, 1996, the Secretary shall identify, prior to acquisition, withdrawal, transfer, reclassification, or donation of any such lands, existing compatible wildlife-dependent recreational uses that the Secretary determines shall be permitted to continue on an interim basis pending completion of the comprehensive conservation plan for the refuge.

“(iii) Wildlife-dependent recreational uses may be authorized on a refuge when they are compatible and not inconsistent with public safety. Except for consideration of consistency with State laws and regulations as provided for in subsection (m), no other determinations or findings are required to be made by the refuge official under this Act or the Refuge Recreation Act for wildlife-dependent recreation to occur.

“(viii) require, after an opportunity for public comment, reevaluation of each compatible wildlife-dependent recreational use when conditions under which the use is permitted change significantly or if there is significant new information regarding the effects of the use, but not less frequently than in conjunction with each preparation or revision of a conservation plan under subsection (e) or at least every 15 years, whichever is earlier; and

“(ix) provide an opportunity for public review and comment on each evaluation of a use, unless an opportunity for public review and comment on the evaluation of the use has already been provided during the development or revision of a conservation plan for the refuge under subsection (e) or has otherwise been provided during routine, periodic determinations of compatibility for wildlife-dependent recreational uses.

An Act

To establish the Oklahoma City National Memorial as a unit of the National Park System; to designate the Oklahoma City Memorial Trust, and for other purposes.

Oct. 9, 1997
[S. 871]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Oklahoma City National Memorial Act of 1997”.

Oklahoma City
National
Memorial Act of
1997.
16 USC 450ss
note.

SEC. 2. FINDINGS AND PURPOSES.

16 USC 450ss.

Congress finds that—

(1) few events in the past quarter-century have rocked Americans’ perception of themselves and their institutions, and brought together the people of our Nation with greater intensity than the April 19, 1995, bombing of the Alfred P. Murrah Federal Building in downtown Oklahoma City;

(2) the resulting deaths of 168 people, some of whom were children, immediately touched thousands of family members whose lives will forever bear scars of having those precious to them taken away so brutally;

(3) suffering with such families are countless survivors, including children, who struggle not only with the suffering around them, but their own physical and emotional injuries and with shaping a life beyond April 19;

(4) such losses and struggles are personal and, since they resulted from so public an attack, they are also shared with a community, a Nation, and the world;

(5) the story of the bombing does not stop with the attack itself or with the many losses it caused. The responses of Oklahoma’s public servants and private citizens, and those from throughout the Nation, remain as a testament to the sense of unity, compassion, even heroism, that characterized the rescue and recovery following the bombing;

(6) during the days immediately following the Oklahoma City bombing, Americans and people from around the world of all races, political philosophies, religions and walks of life responded with unprecedented solidarity and selflessness; and

(7) given the national and international impact and reaction, the Federal character of the site of the bombing, and the significant percentage of the victims and survivors who were Federal employees, the Oklahoma City Memorial will be established, designed, managed and maintained to educate

present and future generations, through a public/private partnership, to work together efficiently and respectfully in developing a National Memorial relating to all aspects of the April 19, 1995, bombing in Oklahoma City.

105th Congress

An Act

To provide for the exchange of lands within Admiralty Island National Monument,
and for other purposes.

Oct. 10, 1997

[H.R. 1948]

*Be it enacted by the Senate and House of Representatives of
the United States of America in Congress assembled,*

SECTION 1. SHORT TITLE.

This Act may be cited as the “Hood Bay Land Exchange Act
of 1997”.

Hood Bay Land
Exchange Act of
1997.

Alaska.
16 USC 431 note,
1132 note.

SEC. 2. FINDINGS.

The Congress makes the following findings:

16 USC 431 note,
1132 note.

(1) The Alaska National Interest Lands Conservation Act established the Admiralty Island National Monument which is managed by the Secretary of Agriculture, by and through the Forest Service.

(2) The Forest Service has established a policy of encouraging the acquisition of private land inholdings within Admiralty Island National Monument on a willing buyer/willing seller basis. Congress has supported this policy, for example by passage of the Greens Creek Land Exchange Act of 1996 which provided for a land exchange of certain public and private lands in Admiralty Island National Monument.

(3) Lands owned by Alaska Pulp Corporation, consisting of 54 acres, more or less, located in Hood Bay on Admiralty Island within the boundaries of the Kootznoowoo Wilderness are available for transfer to Federal ownership on a willing seller/willing buyer basis. The acquisition of these lands would provide Federal ownership of this valuable land in a critical area of Admiralty Island National Monument.

(4) The United States is the owner of certain reversionary interests to 143.87 acres, more or less, located adjacent to Silver Bay near Sitka, Alaska, which interests were reserved in patent No. 1213671 issued to the Alaska Pulp Corporation on October 18, 1960. The transfer of the reversionary interests of the United States in such lands adjacent to Silver Bay to the Alaska Pulp Corporation would facilitate future use and development of that land.

Subtitle A—FHA-Insured Multifamily Housing Mortgage and Housing Assistance Restructuring

SEC. 511. FINDINGS AND PURPOSES.

42 USC 1437f
note.

(a) FINDINGS.—Congress finds that—

(1) there exists throughout the Nation a need for decent, safe, and affordable housing;

(2) as of the date of enactment of this Act, it is estimated that—

(A) the insured multifamily housing portfolio of the Federal Housing Administration consists of 14,000 rental properties, with an aggregate unpaid principal mortgage balance of \$38,000,000,000; and

(B) approximately 10,000 of these properties contain housing units that are assisted with project-based rental

assistance under section 8 of the United States Housing Act of 1937;

(3) FHA-insured multifamily rental properties are a major Federal investment, providing affordable rental housing to an estimated 2,000,000 low- and very low-income families;

(4) approximately 1,600,000 of these families live in dwelling units that are assisted with project-based rental assistance under section 8 of the United States Housing Act of 1937;

(5) a substantial number of housing units receiving project-based assistance have rents that are higher than the rents of comparable, unassisted rental units in the same housing rental market;

(6) many of the contracts for project-based assistance will expire during the several years following the date of enactment of this Act;

(7) it is estimated that—

(A) if no changes in the terms and conditions of the contracts for project-based assistance are made before fiscal year 2000, the cost of renewing all expiring rental assistance contracts under section 8 of the United States Housing Act of 1937 for both project-based and tenant-based rental assistance will increase from approximately \$3,600,000,000 in fiscal year 1997 to over \$14,300,000,000 by fiscal year 2000 and some \$22,400,000,000 in fiscal year 2006;

(B) of those renewal amounts, the cost of renewing project-based assistance will increase from \$1,200,000,000 in fiscal year 1997 to almost \$7,400,000,000 by fiscal year 2006; and

(C) without changes in the manner in which project-based rental assistance is provided, renewals of expiring contracts for project-based rental assistance will require an increasingly larger portion of the discretionary budget authority of the Department of Housing and Urban Development in each subsequent fiscal year for the foreseeable future;

(8) absent new budget authority for the renewal of expiring rental contracts for project-based assistance, many of the FHA-insured multifamily housing projects that are assisted with project-based assistance are likely to default on their FHA-insured mortgage payments, resulting in substantial claims to the FHA General Insurance Fund and Special Risk Insurance Fund;

(9) more than 15 percent of federally assisted multifamily housing projects are physically or financially distressed, including a number which suffer from mismanagement;

(10) due to Federal budget constraints, the downsizing of the Department of Housing and Urban Development, and diminished administrative capacity, the Department lacks the ability to ensure the continued economic and physical well-being of the stock of federally insured and assisted multifamily housing projects;

(11) the economic, physical, and management problems facing the stock of federally insured and assisted multifamily housing projects will be best served by reforms that—

(A) reduce the cost of Federal rental assistance, including project-based assistance, to these projects by reducing the debt service and operating costs of these projects while

retaining the low-income affordability and availability of this housing;

(B) address physical and economic distress of this housing and the failure of some project managers and owners of projects to comply with management and ownership rules and requirements; and

(C) transfer and share many of the loan and contract administration functions and responsibilities of the Secretary to and with capable State, local, and other entities; and

(12) the authority and duties of the Secretary, not including the control by the Secretary of applicable accounts in the Treasury of the United States, may be delegated to State, local or other entities at the discretion of the Secretary, to the extent the Secretary determines, and for the purpose of carrying out this Act, so that the Secretary has the discretion to be relieved of processing and approving any document or action required by these reforms.

(b) PURPOSES.—Consistent with the purposes and requirements of the Government Performance and Results Act of 1993, the purposes of this subtitle are—

(1) to preserve low-income rental housing affordability and availability while reducing the long-term costs of project-based assistance;

(2) to reform the design and operation of Federal rental housing assistance programs, administered by the Secretary, to promote greater multifamily housing project operating and cost efficiencies;

(3) to encourage owners of eligible multifamily housing projects to restructure their FHA-insured mortgages and project-based assistance contracts in a manner that is consistent with this subtitle before the year in which the contract expires;

(4) to reduce the cost of insurance claims under the National Housing Act related to mortgages insured by the Secretary and used to finance eligible multifamily housing projects;

(5) to streamline and improve federally insured and assisted multifamily housing project oversight and administration;

(6) to resolve the problems affecting financially and physically troubled federally insured and assisted multifamily housing projects through cooperation with residents, owners, State and local governments, and other interested entities and individuals;

(7) to protect the interest of project owners and managers, because they are partners of the Federal Government in meeting the affordable housing needs of the Nation through the section 8 rental housing assistance program;

(8) to protect the interest of tenants residing in the multifamily housing projects at the time of the restructuring for the housing; and

(9) to grant additional enforcement tools to use against those who violate agreements and program requirements, in order to ensure that the public interest is safeguarded and that Federal multifamily housing programs serve their intended purposes.

(B) EXCEPTION RENTS.—In any fiscal year, a participating administrative entity may approve exception rents on not more than 20 percent of all units covered by the portfolio restructuring agreement with expiring contracts in

that fiscal year, except that the Secretary may waive this ceiling upon a finding of special need.

(3) RENT LEVELS FOR EXCEPTION PROJECTS.—For purposes of this section, a project eligible for an exception rent shall receive a rent calculated on the actual and projected costs of operating the project, at a level that provides income sufficient to support a budget-based rent that consists of—

- (A) the debt service of the project;

renew such contract, and the owner of the project shall accept the offer, if the initial renewal is in accordance with the terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan and the rental assistance assessment plan.

(2) TENANT-BASED ASSISTANCE.—Subject to the availability of amounts provided in advance in appropriations Acts and to the control of the Secretary of applicable accounts in the Treasury of the United States, with respect to an expiring section 8 contract on an eligible multifamily housing project to be renewed with tenant-based assistance (based on a determination under subsection (c)), the Secretary shall enter into contracts with participating administrative entities pursuant to which the participating administrative entity shall provide for the renewal of section 8 assistance on an eligible multifamily housing project with tenant-based assistance, or the Secretary shall provide for such renewal, in accordance with the terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan and the rental assistance assessment plan.

(b) REQUIRED COMMITMENT.—After the initial renewal of a section 8 contract pursuant to this section, the owner shall accept each offer made pursuant to subsection (a) to renew the contract, for the term of the affordability and use restrictions required by section 514(e)(6), if the offer to renew is on terms and conditions specified in the mortgage restructuring and rental assistance sufficiency plan.

(c) DETERMINATION OF WHETHER TO RENEW WITH PROJECT-BASED OR TENANT-BASED ASSISTANCE.—

(1) MANDATORY RENEWAL OF PROJECT-BASED ASSISTANCE.—Section 8 assistance shall be renewed with project-based assistance, if—

(A) the project is located in an area in which the participating administrative entity determines, based on housing market indicators, such as low vacancy rates or high absorption rates, that there is not adequate available and affordable housing or that the tenants of the project would not be able to locate suitable units or use the tenant-based assistance successfully;

(B) a predominant number of the units in the project are occupied by elderly families, disabled families, or elderly and disabled families;

(C) the project is held by a nonprofit cooperative ownership housing corporation or nonprofit cooperative housing trust.

(2) RENTAL ASSISTANCE ASSESSMENT PLAN.—

(A) IN GENERAL.—With respect to any project that is not described in paragraph (1), the participating administrative entity shall, after consultation with the owner of the project, develop a rental assistance assessment plan to determine whether to renew assistance for the project with tenant-based assistance or project-based assistance.

(B) RENTAL ASSISTANCE ASSESSMENT PLAN REQUIREMENTS.—Each rental assistance assessment plan developed under this paragraph shall include an assessment of the impact of converting to tenant-based assistance and the impact of extending project-based assistance on—

(i) the ability of the tenants to find adequate, available, decent, comparable, and affordable housing in the local market;

(ii) the types of tenants residing in the project (such as elderly families, disabled families, large families, and cooperative homeowners);

(iii) the local housing needs identified in the comprehensive housing affordability strategy, and local market vacancy trends;

(iv) the cost of providing assistance, comparing the applicable payment standard to the project's adjusted rent levels determined under section 514(g);

(v) the long-term financial stability of the project;

(vi) the ability of residents to make reasonable choices about their individual living situations;

(vii) the quality of the neighborhood in which the tenants would reside; and

(viii) the project's ability to compete in the marketplace.

(C) REPORTS TO DIRECTOR.—Each participating administrative entity shall report regularly to the Director as defined in subtitle D, as the Director shall require, identifying—

(i) each eligible multifamily housing project for which the entity has developed a rental assistance assessment plan under this paragraph that determined that the tenants of the project generally supported renewal of assistance with tenant-based assistance, but under which assistance for the project was renewed with project-based assistance; and

(ii) each project for which the entity has developed such a plan under which the assistance is renewed using tenant-based assistance.

(3) ELIGIBILITY FOR TENANT-BASED ASSISTANCE.—Subject to paragraph (4), with respect to any project that is not described in paragraph (1), if a participating administrative entity approves the use of tenant-based assistance based on a rental assistance assessment plan developed under paragraph (2), tenant-based assistance shall be provided to each assisted family (other than a family already receiving tenant-based assistance) residing in the project at the time the assistance described in section 512(2)(B) terminates.

(4) RENTS FOR FAMILIES RECEIVING TENANT-BASED ASSISTANCE.—

(A) IN GENERAL.—Notwithstanding subsection (c)(1) or (o)(1) of section 8 of the United States Housing Act of 1937, in the case of any family described in paragraph (3) that resides in a project described in section 512(2)(B) in which the reasonable rent (which rent shall include any amount allowed for utilities and shall not exceed comparable market rents for the relevant housing market area) exceeds the fair market rent limitation or the payment standard, as applicable, the amount of assistance for the family shall be determined in accordance with subparagraph (B).

(B) MAXIMUM MONTHLY RENT; PAYMENT STANDARD.—With respect to the certificate program under section 8(b)

of the United States Housing Act of 1937, the maximum monthly rent under the contract (plus any amount allowed for utilities) shall be such reasonable rent for the unit. With respect to the voucher program under section 8(o) of the United States Housing Act of 1937, the payment standard shall be deemed to be such reasonable rent for the unit.

(5) INAPPLICABILITY OF CERTAIN PROVISION.—If a participating administrative entity approves renewal with project-based assistance under this subsection, section 8(d)(2) of the United States Housing Act of 1937 shall not apply.

SEC. 516. PROHIBITION ON RESTRUCTURING.

42 USC 1437f
note.

(a) PROHIBITION ON RESTRUCTURING.—The Secretary may elect not to consider any mortgage restructuring and rental assistance sufficiency plan or request for contract renewal if the Secretary or the participating administrative entity determines that—

(1)(A) the owner or purchaser of the project has engaged in material adverse financial or managerial actions or omissions with regard to such project; or

(B) the owner or purchaser of the project has engaged in material adverse financial or managerial actions or omissions with regard to other projects of such owner or purchaser that are federally assisted or financed with a loan from, or mortgage insured or guaranteed by, an agency of the Federal Government;

(2) material adverse financial or managerial actions or omissions include—

(A) materially violating any Federal, State, or local law or regulation with regard to this project or any other federally assisted project, after receipt of notice and an opportunity to cure;

(B) materially breaching a contract for assistance under section 8 of the United States Housing Act of 1937, after receipt of notice and an opportunity to cure;

(C) materially violating any applicable regulatory or other agreement with the Secretary or a participating administrative entity, after receipt of notice and an opportunity to cure;

(D) repeatedly and materially violating any Federal, State, or local law or regulation with regard to the project or any other federally assisted project;

(E) repeatedly and materially breaching a contract for assistance under section 8 of the United States Housing Act of 1937;

(F) repeatedly and materially violating any applicable regulatory or other agreement with the Secretary or a participating administrative entity;

(G) repeatedly failing to make mortgage payments at times when project income was sufficient to maintain and operate the property;

(H) materially failing to maintain the property according to housing quality standards after receipt of notice and a reasonable opportunity to cure; or

(I) committing any actions or omissions that would warrant suspension or debarment by the Secretary;

(3) the owner or purchaser of the property materially failed to follow the procedures and requirements of this subtitle, after receipt of notice and an opportunity to cure; or

(4) the poor condition of the project cannot be remedied in a cost effective manner, as determined by the participating administrative entity.

The term “owner” as used in this subsection, in addition to it having the same meaning as in section 8(f) of the United States Housing Act of 1937, also means an affiliate of the owner. The term “purchaser” as used in this subsection means any private person or entity, including a cooperative, an agency of the Federal Government, or a public housing agency, that, upon purchase of the project, would have the legal right to lease or sublease dwelling units in the project, and also means an affiliate of the purchaser. The terms “affiliate of the owner” and “affiliate of the purchaser” means any person or entity (including, but not limited to, a general partner or managing member, or an officer of either) that controls an owner or purchaser, is controlled by an owner or purchaser, or is under common control with the owner or purchaser. The term “control” means the direct or indirect power (under contract, equity ownership, the right to vote or determine a vote, or otherwise) to direct the financial, legal, beneficial or other interests of the owner or purchaser.

(b) OPPORTUNITY TO DISPUTE FINDINGS.—

(1) IN GENERAL.—During the 30-day period beginning on the date on which the owner or purchaser of an eligible multifamily housing project receives notice of a rejection under subsection (a) or of a mortgage restructuring and rental assistance sufficiency plan under section 514, the Secretary or participating administrative entity shall provide that owner or purchaser with an opportunity to dispute the basis for the rejection and an opportunity to cure.

(2) AFFIRMATION, MODIFICATION, OR REVERSAL.—

(A) IN GENERAL.—After providing an opportunity to dispute under paragraph (1), the Secretary or the participating administrative entity may affirm, modify, or reverse any rejection under subsection (a) or rejection of a mortgage restructuring and rental assistance sufficiency plan under section 514.

(B) REASONS FOR DECISION.—The Secretary or the participating administrative entity, as applicable, shall identify the reasons for any final decision under this paragraph.

(C) REVIEW PROCESS.—The Secretary shall establish an administrative review process to appeal any final decision under this paragraph.

(c) FINAL DETERMINATION.—Any final determination under this section shall not be subject to judicial review.

(d) DISPLACED TENANTS.—Subject to the availability of amounts provided in advance in appropriations Acts, for any low-income tenant that is residing in a project or receiving assistance under section 8 of the United States Housing Act of 1937 at the time of rejection under this section, that tenant shall be provided with tenant-based assistance and reasonable moving expenses, as determined by the Secretary.

(e) TRANSFER OF PROPERTY.—For properties disqualified from the consideration of a mortgage restructuring and rental assistance

sufficiency plan under this section in accordance with paragraph (1) or (2) of subsection (a) because of actions by an owner or purchaser, the Secretary shall establish procedures to facilitate the voluntary sale or transfer of a property as part of a mortgage restructuring and rental assistance sufficiency plan, with a preference for tenant organizations and tenant-endorsed community-based nonprofit and public agency purchasers meeting such reasonable qualifications as may be established by the Secretary.

SEC. 517. RESTRUCTURING TOOLS.

42 USC 1437f
note.

(a) MORTGAGE RESTRUCTURING.—

(1) In this subtitle, an approved mortgage restructuring and rental assistance sufficiency plan shall include restructuring mortgages in accordance with this subsection to provide—

(A) a restructured or new first mortgage that is sustainable at rents at levels that are established in section 514(g); and

(B) a second mortgage that is in an amount equal to no more than the difference between the restructured or new first mortgage and the indebtedness under the existing insured mortgage immediately before it is restructured or refinanced, provided that the amount of the second mortgage shall be in an amount that the Secretary or participating administrative entity determines can reasonably be expected to be repaid.

(2) The second mortgage shall bear interest at a rate not to exceed the applicable Federal rate as defined in section 1274(d) of the Internal Revenue Code of 1986. The term of the second mortgage shall be equal to the term of the restructured or new first mortgage.

(3) Payments on the second mortgage shall be deferred when the first mortgage remains outstanding, except to the extent there is excess project income remaining after payment of all reasonable and necessary operating expenses (including deposits in a reserve for replacement), debt service on the first mortgage, and any other expenditures approved by the Secretary. At least 75 percent of any excess project income shall be applied to payments on the second mortgage, and the Secretary or the participating administrative entity may permit up to 25 percent to be paid to the project owner if the Secretary or participating administrative entity determines that the project owner meets benchmarks for management and housing quality.

(4) The full amount of the second mortgage shall be immediately due and payable if—

(A) the first mortgage is terminated or paid in full, except as otherwise provided by the holder of the second mortgage;

(B) the project is purchased and the second mortgage is assumed by any subsequent purchaser in violation of guidelines established by the Secretary; or

(C) the Secretary provides notice to the project owner that such owner has failed to materially comply with any requirements of this section or the United States Housing Act of 1937 as those requirements apply to the project, with a reasonable opportunity for such owner to cure such failure.

(5) The Secretary may modify the terms or forgive all or part of the second mortgage if the Secretary holds the second mortgage and if the project is acquired by a tenant organization or tenant-endorsed community-based nonprofit or public agency, pursuant to guidelines established by the Secretary.

(b) **RESTRUCTURING TOOLS.**—In addition to the requirements of subsection (a) and to the extent these actions are consistent with this section and with the control of the Secretary of applicable accounts in the Treasury of the United States, an approved mortgage restructuring and rental assistance sufficiency plan under this subtitle may include one or more of the following actions:

(1) **FULL OR PARTIAL PAYMENT OF CLAIM.**—making a full payment of claim or partial payment of claim under section 541(b) of the National Housing Act, as amended by section 523(b) of this Act. Any payment under this paragraph shall not require the approval of a mortgagee;

(2) **REFINANCING OF DEBT.**—refinancing of all or part of the debt on a project. If the refinancing involves a mortgage that will continue to be insured under the National Housing Act, the refinancing shall be documented through amendment of the existing insurance contract and not through a new insurance contract;

(3) **MORTGAGE INSURANCE.**—providing FHA multifamily mortgage insurance, reinsurance or other credit enhancement alternatives, including multifamily risk-sharing mortgage programs, as provided under section 542 of the Housing and Community Development Act of 1992. Any limitations on the number of units available for mortgage insurance under section 542 shall not apply to eligible multifamily housing projects. Any credit subsidy costs of providing mortgage insurance shall be paid from the Liquidating Accounts of the General Insurance Fund or the Special Risk Insurance Fund and shall not be subject to any limitation on appropriations;

(4) **CREDIT ENHANCEMENT.**—providing any additional State or local mortgage credit enhancements and risk-sharing arrangements that may be established with State or local housing finance agencies, the Federal Housing Finance Board, the Federal National Mortgage Association, and the Federal Home Loan Mortgage Corporation, to a modified or refinanced first mortgage;

(5) **COMPENSATION OF THIRD PARTIES.**—consistent with the portfolio restructuring agreement, entering into agreements, incurring costs, or making payments, including incentive agreements designed to reward superior performance in meeting the purposes of this Act, as may be reasonably necessary, to compensate the participation of participating administrative entities and other parties in undertaking actions authorized by this subtitle. Upon request to the Secretary, participating administrative entities that are qualified under the United States Housing Act of 1937 to serve as contract administrators shall be the contract administrators under section 8 of the United States Housing Act of 1937 for purposes of any contracts entered into as part of an approved mortgage restructuring and rental assistance sufficiency plan. Subject to the availability of amounts provided in advance in appropriations Acts for administrative fees under section 8 of the United States

Housing Act of 1937, such amounts may be used to compensate participating administrative entities for compliance monitoring costs incurred under section 519;

(6) USE OF PROJECT ACCOUNTS.—applying any residual receipts, replacement reserves, and any other project accounts not required for project operations, to maintain the long-term affordability and physical condition of the property or of other eligible multifamily housing projects. The participating administrative entity may expedite the acquisition of residual receipts, replacement reserves, or other such accounts, by entering into agreements with owners of housing covered by an expiring contract to provide an owner with a share of the receipts, not to exceed 10 percent, in accordance with guidelines established by the Secretary; and

(7) REHABILITATION NEEDS.—

(A) IN GENERAL.—Rehabilitation may be paid from the residual receipts, replacement reserves, or any other project accounts not required for project operations, or, as provided in appropriations Acts and subject to the control of the Secretary of applicable accounts in the Treasury of the United States, from budget authority provided for increases in the budget authority for assistance contracts under section 8 of the United States Housing Act of 1937, the rehabilitation grant program established under section 236 of the National Housing Act, as amended by section 531 of subtitle B of this Act, or through the debt restructuring transaction. Rehabilitation under this paragraph shall only be for the purpose of restoring the project to a non-luxury standard adequate for the rental market intended at the original approval of the project-based assistance.

(B) CONTRIBUTION.—Each owner or purchaser of a project to be rehabilitated under an approved mortgage restructuring and rental assistance sufficiency plan shall contribute, from non-project resources, not less than 25 percent of the amount of rehabilitation assistance received, except that the participating administrative entity may provide an exception from the requirement of this subparagraph for housing cooperatives.

SEC. 340. (a) FINDINGS.—The Congress finds that—

(1) Congress has the authority under article I, section 8 of the Constitution to regulate the air commerce of the United States;

(2) section 47107 of title 49, United States Code, prohibits the diversion of certain revenue generated by a public airport as a condition of receiving a project grant;

(3) a grant recipient that uses airport revenues for purposes that are not airport-related in a manner inconsistent with chapter 471 of title 49, United States Code, illegally diverts airport revenues;

(4) illegal diversion of airport revenues undermines the interest of the United States in promoting a strong national air transportation system;

(5) the policy of the United States that airports should be as self-sustaining as possible and that revenues generated at airports should not be diverted from airport purposes was stated by Congress in 1982 and reaffirmed and strengthened in 1987, 1994, and 1996;

(6) certain airports are constructed on lands that may have belonged, at one time, to Native Americans, Native Hawaiians, or Alaska Natives;

(7) contrary to the prohibition against diverting airport revenues from airport purposes under section 47107 of title 49, United States Code, certain payments from airport revenues may have been made for the betterment of Native Americans, Native Hawaiians, or Alaska Natives based upon the claims related to lands ceded to the United States;

(8) Federal law prohibits diversions of airport revenues obtained from any source whatsoever to occur in the future whether related to claims for periods of time prior to or after the date of enactment of this Act; and

(9) because of the special circumstances surrounding such past diversions of airport revenues for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, it is in the national interest that amounts from airport revenues previously received by any entity for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, as specified in subsection (b) of this section, should not be subject to repayment.

(b) TERMINATION OF REPAYMENT RESPONSIBILITY.—Notwithstanding the provisions of 47107 of title 49, United States Code, or any other provision of law, monies paid for claims related to ceded lands and diverted from airport revenues and received prior to April 1, 1996, by any entity for the betterment of Native Americans, Native Hawaiians, or Alaska Natives, shall not be subject to repayment.

(c) PROHIBITION ON FURTHER DIVERSION.—There shall be no further payment of airport revenues for claims related to ceded lands, whether characterized as operating expenses, rent, or otherwise, and whether related to claims for periods of time prior to or after the date of enactment of this Act.

(d) CLARIFICATION.—Nothing in this Act shall be construed to affect any existing Federal statutes, enactments, or trust obligations created thereunder, or any statute of the several States that define the obligations of such States to Native Americans, Native Hawaiians, or Alaska Natives in connection with ceded lands, except to make clear that airport revenues may not be used to satisfy such obligations.

SEC. 341. LIMITATION ON FUNDS USED TO ENFORCE REGULATIONS REGARDING ANIMAL FATS AND VEGETABLE OILS.—None of the funds made available in this Act may be used by the Coast Guard to issue, implement, or enforce a regulation or to establish an interpretation or guideline under the Edible Oil Regulatory Reform Act (Public Law 104-55), or the amendments made by that Act, that does not recognize and provide for, with respect to fats, oils, and greases (as described in that Act, or the amendments made by that Act) differences in—

- (1) physical, chemical, biological, and other relevant properties; and
- (2) environmental effects.

SEC. 342. Notwithstanding the provisions of any other law, rule or regulation, the Secretary of Transportation is authorized to allow the issuer of any preferred stock heretofore sold to the Department to redeem or repurchase such stock upon the payment to the Department of an amount determined by the Secretary.

SEC. 343. Subsection (d)(4) of 49 U.S.C. 31112 is amended by striking “September 30, 1997” and inserting “February 28, 1998”.

SEC. 344. None of the funds in this Act shall be used to enforce against air carriers, conducting operations under part 135 of the Federal Aviation Administration (FAA) regulations (14 CFR 135.1 et seq.) that are not scheduled operations (as defined in 14 CFR 119.3), the requirement in section 44936(f)(1) of title 49, United States Code that records be checked before hiring an individual as a pilot, until the FAA determines, in writing, that it can furnish to such air carriers the requested records within 30 days, as required by section 44936(f)(5) of title 49, United States Code. If the Administrator cannot make the determination, in writing, within 150 days after enactment of this Act, then the Administrator shall report to the Committees on Appropriations, the Senate Committee on Commerce, Science, and Transportation, and the House Committee on Transportation and Infrastructure, the reasons why the determination cannot be made.

SEC. 345. EXEMPTION AUTHORITY FOR AIR SERVICE TO SLOT-CONTROLLED AIRPORTS.—Section 41714 of title 49, United States Code, is amended by adding at the end thereof the following:

“(i) EXPEDITIOUS CONSIDERATION OF CERTAIN EXEMPTION REQUESTS.—Within 120 days after receiving an application for an exemption under subsection (a)(2) to improve air service between a nonhub airport (as defined in section 41731(a)(4)) and a high density airport subject to the exemption authority under subsection (a), the Secretary shall grant or deny the exemption. The Secretary shall notify the Senate Committee on Commerce, Science, and Transportation and the House Committee on Transportation and Infrastructure of the grant or denial within 14 calendar days after the determination and state the reasons for the determination.”.

(b) As soon as practicable after the date of enactment of this Act, the Secretary of Transportation may establish the NDGPS. In establishing the NDGPS, the Secretary of Transportation may—

(1) if feasible, reuse GWEN equipment and sites transferred to the Department of Transportation under subsection (a);

(2) to the maximum extent practicable, use contractor services to install the NDGPS;

(3) modify the positioning system operated by the Coast Guard at the time of the establishment of the NDGPS to integrate the reference stations made available pursuant to subsection (a);

(4) in cooperation with the Secretary of Commerce, ensure that the reference stations referred to in paragraph (3) are compatible with, and integrated into, the Continuously Operating Reference Station (commonly referred to as “CORS”) system of the National Geodetic Survey of the Department of Commerce; and

(5) in cooperation with the Secretary of Commerce, investigate the use of the NDGPS reference stations for the Global Positioning System Integrated Precipitable Water Vapor System of the National Oceanic and Atmospheric Administration.

(c) The Secretary of Transportation may—

(2) ensure that the service of the NDGPS is provided without the assessment of any user fee; and

(3) in cooperation with the Secretary of Defense, ensure that the use of the NDGPS is denied to any enemy of the United States.

(d) In any case in which the Secretary of Transportation determines that contracting for the maintenance of 1 or more NDGPS reference stations is cost-effective, the Secretary of Transportation may enter into a contract to provide for that maintenance.

(e) The Secretary of Transportation may—

(1) in cooperation with appropriate representatives of private industries and universities and officials of State governments—

(A) investigate improvements (including potential improvements) to the NDGPS;

Joint Resolution

Oct. 30, 1997
[H.J. Res. 75]

To confer status as an honorary veteran of the United States Armed Forces on
Leslie Townes (Bob) Hope.

Whereas the United States has never before conferred status as an honorary veteran of the United States Armed Forces on an individual, and such status is and should remain an extraordinary honor not lightly conferred nor frequently granted;

Whereas the lifetime of accomplishments and service of Leslie Townes (Bob) Hope on behalf of United States military servicemembers fully justifies the conferring of such status;

Whereas Leslie Townes (Bob) Hope is himself not a veteran, having attempted to enlist in the Armed Forces to serve his country during World War II, but being informed that the greatest service he could provide the Nation was as a civilian entertainer for the troops;

Whereas during, World War II, the Korean Conflict, the Vietnam War, and the Persian Gulf War and throughout the Cold War, Bob Hope traveled to visit and entertain millions of United States servicemembers in numerous countries, on ships at sea, and in combat zones ashore;

Whereas Bob Hope has been awarded the Congressional Gold Medal, the Presidential Medal of Freedom, the Distinguished Service Medal of each of the branches of the Armed Forces, and more than 100 citations and awards from national veterans service organizations and civic and humanitarian organizations; and

Whereas Bob Hope has given unselfishly of his time for over a half century to be with United States servicemembers on foreign shores, working tirelessly to bring a spirit of humor and cheer to millions of servicemembers during their loneliest moments, and thereby extending for the American people a touch of home away from home: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That Congress—

(1) extends its gratitude, on behalf of the American people, to Leslie Townes (Bob) Hope for his lifetime of accomplishments and service on behalf of United States military servicemembers; and

(2) confers upon Leslie Townes (Bob) Hope the status of an honorary veteran of the United States Armed Forces.

[S. 589]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

**SECTION 1. BOUNDARY ADJUSTMENT AND LAND CONVEYANCE,
RAGGEDS WILDERNESS, WHITE RIVER NATIONAL FOR-
EST, COLORADO.**

16 USC 1132
note.

(a) FINDINGS.—Congress finds that—

(1) certain landowners in Gunnison County, Colorado, who own real property adjacent to the portion of the Raggeds Wilderness in the White River National Forest, Colorado, have occupied or improved their property in good faith and in reliance on erroneous surveys of their properties that the landowners reasonably believed were accurate;

(2) in 1993, a Forest Service resurvey of the Raggeds Wilderness established accurate boundaries between the wilderness area and adjacent private lands; and

(3) the resurvey indicates that a small portion of the Raggeds Wilderness is occupied by adjacent landowners on the basis of the earlier erroneous land surveys.

(b) PURPOSE.—It is the purpose of this section to remove from the boundaries of the Raggeds Wilderness certain real property so as to permit the Secretary of Agriculture to use the authority of Public Law 97–465 (commonly known as the “Small Tracts Act”) (16 U.S.C. 521c et seq.) to convey the property to the landowners who occupied the property on the basis of erroneous land surveys.

(c) BOUNDARY ADJUSTMENT.—The boundary of the Raggeds Wilderness, Gunnison and White River National Forests, Colorado, as designated by section 102(a)(16) of Public Law 96–560 (94 Stat. 3267; 16 U.S.C. 1132 note), is hereby modified to exclude from the area encompassed by the wilderness a parcel of real property approximately 0.86-acres in size situated in the SW $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 28, Township 11 South, Range 88 West of the 6th Principal Meridian, as depicted on the map entitled “Encroachment-Raggeds Wilderness”, dated November 17, 1993.

(d) MAP.—The map described in subsection (c) shall be on file and available for inspection in the appropriate offices of the Forest Service, Department of Agriculture.

(e) CONVEYANCE OF LAND REMOVED FROM WILDERNESS AREA.—The Secretary of Agriculture shall use the authority provided by Public Law 97–465 (commonly known as the “Small Tracts Act”) (16 U.S.C. 521c et seq.) to convey all right, title, and interest

of the United States in and to the real property excluded from the boundaries of the Raggeds Wilderness under subsection (c) to the owners of real property in Gunnison County, Colorado, whose real property adjoins the excluded real property and who have occupied the excluded real property in good faith reliance on an erroneous survey.

Approved November 12, 1997.
